01

Brand Overview

Healthy Eats is a premium wellness brand committed to nurturing health through nature's finest ingredients. We prioritize quality and sustainability in every product, from organic supplements and superfoods to eco-friendly yoga apparel and accessories.

Mission: Elevate everyday nutrition with premium, organic products designed to nourish and energize — sustainably sourced, thoughtfully crafted.

Brand Pillars:

- **Purity** — Clean, organic ingredients with transparent sourcing
- **Sustainability** — Eco-friendly practices from farm to shelf
- **Vitality** — Products that empower an active, balanced lifestyle
- **Community** — A shared journey toward holistic well-being

Target Audience: Health-conscious adults aged 25–45 who value organic products, sustainable living, and mindful wellness. They seek premium quality and are willing to invest in products that align with their values.

02

Logo & Wordmark

The Healthy Eats wordmark uses clean, modern typography with generous letter-spacing to convey openness and purity. The logotype is always set in uppercase with tracked spacing for an elevated, premium feel.

HEALTHY EATS

Primary Wordmark — Dark on Light

HEALTHY EATS

Reverse Wordmark — Light on Dark

Clear Space: Maintain a minimum clear space equal to the height of the letter 'H' on all sides of the wordmark. Never distort, rotate, recolor, or add effects to the logo.

03

Color Palette

Our palette draws from the natural world — deep forest greens, warm earth tones, and soft neutrals. These colors evoke organic freshness and grounded wellness.

Primary Colors

Forest Green

#2D5016

Deep Green

#1A3A0A

Sage

#6B8F5E

Cream

#F5F0E8

Secondary & Accent Colors

Warm Tan

#D4C5A9

Coral

#D4756B

Gold

#C4A35A

Charcoal

#2C2C2C

Usage: Forest Green is the dominant brand color, used for primary actions and headers.

Cream serves as the primary background. Coral is reserved for sale badges and CTAs. Gold accents should be used sparingly for premium emphasis.

04

Typography

Typography is central to the Healthy Eats identity. We use a clean, modern sans-serif system that balances approachability with premium sophistication.

HEADING / DISPLAY

Aa Bb Cc Dd Ee

Used for hero headings, section titles, wordmark. Bold weight, generous tracking.

SUBHEADING

Aa Bb Cc Dd Ee

Used for product names, sub-sections, navigation. Regular weight, slightly tracked.

BODY / UI

The quick brown fox jumps over the lazy dog.

Used for descriptions, paragraphs, form labels. Regular weight, comfortable leading.

Type Scale

Hero	36–48px	Helvetica Bold
H1	28–32px	Helvetica Bold
H2	20–24px	Helvetica Bold
Body	14–16px	Helvetica
Caption	11–12px	Helvetica

05

Photography & Imagery

Photography should feel natural, bright, and aspirational. Images feature organic textures, warm natural lighting, and earth-toned environments. Avoid overly processed, artificial, or clinical imagery.

Lighting

Warm, natural light. Golden hour tones preferred. Avoid harsh flash or fluorescent blue tones.

Composition

Clean, uncluttered. Products should be hero subjects with natural props (wood, linen, leaves, stone).

Color Grading

Warm tones with slightly desaturated greens. Maintain a soft, organic feel consistent with the brand palette.

Subjects

Real ingredients, active lifestyle moments, serene yoga/wellness scenes. Diverse and inclusive representation.

Avoid

Stock-photo feel, overly posed shots, neon colors, synthetic backgrounds, cluttered compositions.

06

Voice & Tone

The Healthy Eats voice is warm, knowledgeable, and encouraging — like a trusted friend who happens to be a wellness expert. We inspire without preaching and educate without condescending.

WE ARE

- ✓ Warm & inviting
- ✓ Knowledgeable
- ✓ Encouraging
- ✓ Authentic
- ✓ Premium but accessible

WE ARE NOT

- ✗ Cold or clinical
- ✗ Preachy or condescending
- ✗ Guilt-inducing
- ✗ Trendy or gimmicky
- ✗ Elitist or exclusionary

Sample Copy:

"Elevate your nutrition with our premium, organic supplements designed to nourish and energize."

"Dedicated to nurturing health through nature's finest ingredients, we prioritize quality and sustainability in every product we offer."

07

Digital Applications

The website is the primary brand touchpoint. It follows a clean, editorial layout with generous whitespace, nature-inspired imagery, and clear product presentation.

Navigation

Sticky top bar. Logo centered or left-aligned. Links: Home, Catalog, Contact. Cart icon right-aligned.

Hero Section

Full-width product imagery with overlaid headline. CTA button in Forest Green or Coral.

Product Cards

Clean white cards with rounded corners. Sale badge in Coral. Hover reveals quick-add. Price shows strike-through for sales.

Footer

Newsletter signup, policy links, social icons. Cream background. © NC-Developer, LLC.

Buttons

Primary: Forest Green fill, white text, rounded. Secondary: outlined in Forest Green. Sale/CTA: Coral fill.

Spacing

Consistent 16px/24px/32px/48px spacing scale. Generous padding around sections for breathing room.

08

Legal & Usage

All brand assets, including the Healthy Eats name, wordmark, color palette, photography, and website design, are the exclusive property of **NC-Developer, LLC**.

- Do not modify, distort, or recolor the wordmark.
- Do not use the brand assets in any context that implies endorsement without written permission.
- Always maintain minimum clear space around the logo.
- Use only approved color values from the palette in Section 03.
- Photography must follow the guidelines in Section 05.
- For licensing inquiries, contact NC-Developer, LLC directly.
